

*Helping Children Eat Healthier in the Communities That We Call Home*

**The Dannon Company, Inc.  
2010 Dannon Next Generation Nutrition Grant Application Form**

The Dannon Company strives to help people grow, live better, and get more out of life through tasty, varied and nutritional food products every day. We also believe that The Dannon Company can play a role in society beyond the production of nutritious, great-tasting foods. In the communities we serve, we are committed to helping people make informed food choices to improve their nutrition and health. Given the rising rates of obesity in children and the importance of developing healthy eating habits early in life, children are the focus of this year's grant program.

In 2010, Dannon will donate a grant of \$30,000 to one program nurturing healthy eating habits among children in each of the communities where a Dannon facility is located. To qualify, organizations must need funding for a current nutrition education program for children up to age 18 or be able to launch such an initiative by late 2010. Programs should be creative in their approach, involve community partners, include professional nutrition staff or consultants, and be designed to impact children's eating habits today for a healthier tomorrow. The initiative must also:

- Promote nutrition education to nurture healthy eating habits among children, including the consumption of low-fat yogurt  
And
- Serve communities where Dannon facilities are located  
(Auglaize, Darke, Mercer or Shelby Counties, OH; Salt Lake County, UT; Tarrant County, TX; or Westchester County, NY)  
And
- Be a program of a tax exempt non-profit according to Section 501(c)(3) of the IRS code, but not a private foundation as defined under Section 509(a).

Non-profit organizations wishing to submit proposals for consideration by The Dannon Company should fill out the attached application and also submit a written description of the program for which funding is being sought. Videotapes and other supplemental materials are strongly discouraged for this initial application. Additional information will be requested in the event that the program proposal is of interest to The Dannon Company.

At Dannon, we believe that *"A company's responsibility does not end at the office door or the factory gate, since its action affects the community as a whole."* These words were spoken by Antoine Riboud, founder of our parent company, Danone, in 1972. They continue to guide us today as we encourage healthy eating for tomorrow.

## If Your Organization Meets Our Grant Application Criteria

In order for us to consider your request, please complete the requested information and email it to us at [DannonNutritionGrant@dannon.com](mailto:DannonNutritionGrant@dannon.com) between January 15, 2010 and March 31, 2010.

Written proposals are also acceptable for consideration if received between January 15, 2010 and March 31, 2010. Written proposals can be sent to:

Corporate Social Responsibility Department  
The Dannon Company, Inc.  
100 Hillside Avenue  
White Plains, NY 10603

After you submit your brief proposal, we will send you an email acknowledgement. We will carefully review every proposal. Within twelve weeks of March 31, 2010, you will receive one of the following:

- A request for additional information.
- A letter informing you that your project cannot be funded at this time.

You can learn more about Dannon's commitment to help families live healthier, happier lives by visiting the Dannon Cares section of [www.dannon.com](http://www.dannon.com). If you have further questions about Dannon's grant application process, we encourage you to call us at 914-872-8672. If your request does not meet these requirements, we are sorry that we will not be able to assist you. We acknowledge that there are many worthy projects to be supported; however, Dannon is only able to fund one (1) project this year in each of the communities in which a Dannon facility is located. We wish you the best of luck in securing the assistance you are seeking.
